Discussion published by Damian Mandzunowski on Monday, October 26, 2020

Dear Colleagues:

The READCHINA project at the University of Freiburg is pleased to invite you to the virtual lecture series **PRACTICES OF READING IN THE PEOPLE'S REPUBLIC OF CHINA**.

The lectures will take place at varying times on Tuesdays, running from Nov. 10, 2020, to Jan. 26, 2021 (with a three-week-long break during the holidays season). All sessions will start with two talks held back to back, followed by a brief statement from the discussant. The floor will then open to all listeners for Q&A via voice and text chat.

For details on presenters, presentation titles, discussants and access information, please consult the lecture series homepage: <https://readchina.github.io/conferences.html>—we are looking forward to welcoming you there!
