

## **REMINDER: Call for Nominations/Self-Nominations for SHERA Incoming President--DEADLINE NOV. 29**

Discussion published by Kristin Romberg on Wednesday, November 25, 2020

SHERA is currently seeking self-nominations and nominations for the position of Incoming President on the SHERA Board.

Note that the structure of the SHERA Board was changed at the end of 2019 to include a 3-part presidency. The Incoming President serves on the Board for one year before becoming President the following year. The third year, they become Outgoing President, serving in an advisory function. Thus, election to the position of Incoming President is a 3-year commitment (January 2021 through December 2023). For more information, see the description on our website: <http://www.shera-art.org/about/our-bylaws.php>, or contact the SHERA Board at [shera.artarchitecture@gmail.com](mailto:shera.artarchitecture@gmail.com).

SHERA seeks to include among its leaders colleagues at every career stage, from diverse professional backgrounds, and with a broad range of research specialties. Please consider getting involved with SHERA in a formal role to help shape the future of the organization.

**Please submit nominations to [shera.membership@gmail.com](mailto:shera.membership@gmail.com) by Sunday, November 29, 2020.** Online voting will take place in December.
