We would like to announce that this year the eleventh student congress of comparative literature will be organised by a small team at the University of Bern. Due to Covid-19, the congress had to be postponed by a year and will now take place digitally for the first time on **March 5 and 6, 2021. The first digital SKK!**

On the subject of »Literature and Europe« you can present your work at this online congress. Are you interested? Would you like to give a lecture or discuss your work in a seminar? Then send us your **abstract** by **January 20, 2021**. Of course, we are also happy about everyone who likes to listen without presenting a work. You can sign up by writing us an e-mail. The congress will be held in German and English. You can find more information and news at: [www.sk2021.com](http://www.sk2021.com), on Instagram at [@skk21bern](https://www.instagram.com/skk21bern).
