

[Knowledge Unlatched releases short videos on the relevance of its Open Access partner collections and models](#)

Discussion published by Dominique Daniel on Monday, February 8, 2021

Knowledge Unlatched has released "short but informative videos" that "feature a publisher describing the partnership it has developed with KU in order to unlatch quality scholarly books in various disciplines over the next few years."

Source: Mirela Roncevic, No Shelf Required, November 27, 2020, <http://www.noshelfrequired.com/knowledge-unlatched-releases-short-videos-on-the-relevance-...>

These publishers cover fields such as African Studies, Gender Studies, and Archaeology.
