Announcement published by Andrew Kettler on Thursday, March 4, 2021

Type:

Call for Volunteers

Date:

June 1, 2021

Location:

South Carolina, United States

Subject Fields:

History of Science, Medicine, and Technology, Intellectual History, Philosophy, World History / Studies, Social History / Studies

H-Net Subscribers,

H-History-and-Theory is looking for book reviewers for many recent works.

H-History-and-Theory publishes reviews on works pertaining to numerous topics in the field, focusing much on Historical Philosophy, Feminist Theory, Critical Race Theory, and Dialectics.

If you would like to be considered for reviewing at *H-History-and-Theory*, please provide an e-mail with a CV attached.

As well, within the body of the e-mail provide a brief list of related topics of interest you would like to review for *H-History-and-Theory*.

This list may include the theories and theorists you have become well-versed at this stage of your career.

Please also note whether you have reviewed for any *H-Net* feed in the past, including *H-History-Theory* if you would like another review for the feed.

Advanced graduate students as well as those who have completed their doctorate are able to review for *H-History-and-Theory*.

Works for review will be assigned based on listed topics, level of expertise, and availability of editions.

Please send your considerations to review for *H-History-and-Theory* to:

kettlera@email.sc.edu

Thank you for considering reviewing for *H-History-and-Theory*.

Sincerely,

Andrew Kettler

Book Review Editor, *H-History-and-Theory*
