Dear Participants,

The 2nd International Science, Education, Art & Technology Symposium will be held online between May 28-29, 2021, hosted by Buca Faculty of Education, Dokuz Eylül University. 'Emerging Needs and the Future of Education' has been chosen as the main theme of the symposium and studies are planned to be in line with the main theme of the symposium.<https://ubest2021.com/en/home-page/>

With the Covid-19 pandemic, most levels of education have been moved to distance education environments, bringing new challenges and issues to address. We invite you to our symposium, which aims to bring together education researchers, school administrators, teachers, graduate students and all stakeholders in the field of education in order to contribute to better understanding and addressing this urgent and important theme by sharing your knowledge and expertise. Participants of the virtual symposium will have an opportunity to benefit from keynote speeches and oral presentations and visit online exhibitions.

Papers reviewed and accepted by the Scientific Committee will be announced on the symposium website, and a summary booklet and full text proceedings book will be published electronically.

Submissions will go through a blind peer-review process. Accepted proposals will be announced on the symposium website, and the abstract booklet and full-text proceedings book will be published electronically.

For your inquiries, you can send an e-mail to [ubest2021@deu.edu.tr](mailto:ubest2021@deu.edu.tr)

Looking forward to meeting you in May, 2021.

Sincerely yours,

Professor Esra BUKOVA GÜZEL
