

[COVID 19 Pandemic and the Digital Transformation of Public Administration in Nigeria.\(in Honour of Dr. Isoken Ogboro\)](#)

Announcement published by Florence Masajuwa on Tuesday, July 6, 2021

Type:

Call for Papers

Date:

July 6, 2021 to January 31, 2022

Location:

Nigeria

Subject Fields:

Digital Humanities, Government and Public Service, Human Rights, Law and Legal History, Public Policy

This is a call to scholars in the academia and other places to contribute well researched chapters to a book project. The book seeks to appraise how public administration has been digitally affected during the covid-19 pandemic..To this end, the envisaged chapters its expected, will reveal the various dimensions of the digital impact.The under-listed sub-themes are by no means exhaustive and therefor, prospective contributors are encouraged to come up with their own sub-teams/chapter titles that though not listed here, but nevertheless, capture other issues related to the main theme of the proposed book.

- Theoretical and methodological issues of public administration
- Theory and practice of modern digital public administration
- Policies and strategies towards digitalization of public administration in Nigeria
- Political economy of public administration in the era of a pandemic
- The impact of covid19 pandemic on the administration of criminal justice in Nigeria
- Digital transformation in the educational sector in the era of covid19 pandemic
- Fake news, social media and the conditioning of public opinion and political discourse in a digital age.
- The art and culture in the age of digital transformation
- Gender implications of digitalizationof public services
- The impact of covid19 pandemic on law making in Nigeria
- Rule of law and human rights during the covid19 pandemic
- Economic impact of the covid19 pandemic on public administration in Nigeria
- Measuring income inequality in the era of digital transfrmation
