### **Featured Job**

#### **Supervisory Research Biologist/Agronomist/Animal Scientist**

#### **USDA-ARS, Dairy Forage Research Center**

The USDA, ARS, Dairy Forage Research Unit in Madison, WI is searching for a Supervisory Research Biologist/Agronomist/Animal Scientist. The mission of DFRU is to use an agroecological approach to the production and management of forages as part of an integrated soils-forage-animal system to improve farm-scale forage and dairy animal productivity, nutrient use efficiency, soil health, landscape management and environmental impact.

**U.S. Citizenship is required.** For further information and complete application instructions, go to the USAJobs Web site: <https://www.usajobs.gov/> and refer to announcement number ARS-D21MWA-11167380-CLO. This announcement will **OPEN** 7/12/2021 and **CLOSE** on 8/10/2021.
