„Stan Rzeczy” (State of Affairs), an interdisciplinary academic journal published by the Institute of Sociology of the University of Warsaw, invites proposals for an issue focused on the subject of the future in the social sciences.

In this issue of Stan Rzeczy (State of Affairs) we invite reflections on the actual and desired role of the social sciences and humanities in discussions about possible futures. We look forward to reading historical studies, case analyses, synthetic depictions and propositions for new research programs.
