

[Herman Hertzberger Keynote](#)

Announcement published by Rachel Isaac-Menard on Monday, September 14, 2015

Type:

Conference

Date:

October 1, 2015

Location:

Spain

Subject Fields:

Architecture and Architectural History, Historic Preservation, Social History / Studies, Urban Design and Planning, Urban History / Studies

This is to announce that Herman Hertzberger will be the keynote at the Obsolescence and Renovation conference organised by the University of Seville in conjunction with the academic journal *Architecture_MPS*. The event deals with the reuse of historic 20 C. private and social housing today.

ABSTRACT deadline: 01st October

Also please note that the journal *Architecture_MPS* will be published through UCL Press. It will produce its first special issue on housing. Papers will come out of the conference series.
