

## [Popular Culture Association Conference - Westerns and the West Area CFP](#)

Announcement published by Mark Bernhardt on Friday, September 17, 2021

Type:

Call for Papers

Date:

April 13, 2022 to April 16, 2022

Location:

Washington, United States

### **POPULAR CULTURE ASSOCIATION: WESTERNS AND THE WEST**

The Westerns and the West area encompasses studies of all aspects of the transnational North American West. Westerns and the West topics are wide ranging. They include all forms of westerns, such as novels, art, comics, music, films, and television, produced anywhere in the world. They also include all scholarly fields, such as Ethnic Studies, Environmental Studies, Gender Studies, History, and Anthropology. Generally, the Westerns panels as a whole reflect a balanced study of fact and fiction, a variety of genres, and inclusion of diverse cultures populating the region.

For consideration, submit an abstract of up to 250 words:
