### [History of Education Research in Current Periodicals](#) (1997 - Present)

Each month, H-Education publishes a list of recent articles and reviews relating to the History of Education. These materials are in periodicals OUTSIDE the usual History of Education journals (History of Education, Paedagogica Historica, etc). The lists are not exhaustive, and H-Education subscribers are encouraged to contact [editorial-education@mail.h-net.org](mailto:editorial-education@mail.h-net.org) with works we fail to include in the digest.

### [Graduate Programs specializing in the History of Education](#)

A list of graduate programs that offer a former concentration in the History of Education.

### [H-Education Bibliography \(1997-2017\)](#)

As H-Education editor, Dr. Penny Richards compiled lists of recent publications within the History of Education. An emphasis was placed upon materials in periodicals OUTSIDE the usual History of Education journals (History of Education, Paedagogica Historica, etc). This is a master list of all articles, book reviews, chapters, books, etc, that Dr. Richards included in H-Education digests from 1997-2017. The lists are organized alphabetically and by year. Current monthly digests will continue to be posted on the H-Education page, and in the archive of monthly bibliographies.
