

## [H-Eugenics Resources](#)

Page published by System Administrator on Thursday, October 8, 2015

In order to have your contribution appear on one of the following project pages, please add the project type exactly as it appears below **as a keyword** and ask a network editor to add "Resources Tab" **as a category** (in the Context type) when submitting the post.

### [Blogs](#)

Here you will find the general instructions for contributing a blog; current and past blogs organized by theme can be found on the blogs tab above.

### [Book Talks and Interviews](#)

This section includes book talks related to eugenics scholarship, and interviews, including interviews with authors.

### [Eugenics on the Web](#)

This section showcases recent reviews, blogs, articles, and op-eds that may be of interest to H-Eugenics members.

### [Eugenics Publications](#)

All of the monthly publication announcements listing relevant articles and books can be found here.

### [Podcasts and Videos](#)

This section provides a list of podcasts, videos, and other audio-visual materials.

### [Research Resources](#)

Find information about archives, museums, sources, and other research related resources here.

### [Teaching Resources](#)

Teaching Resources of all kinds can be found here. Syllabi, modules, media for classroom use, tips, etc.
