The Department of Asian Studies and the Department of History at the University of Texas at Austin invite applications for two post-doctoral fellows to work in an innovative Digital Humanities space, JapanLab. One position is available in Japanese literature, the second in Japanese history. The post-doctoral fellowships, which are generously supported by the Japan Foundation and the College of Liberal Arts at UT, will run from September 2022 to August 2024. Fellows will be expected to teach a 1/1 course load or 4 courses across the life of the fellowship.
