Exploring Indonesian Historical Maps with ArcGIS Storymaps

Discussion published by Catalin Ivancov on Monday, November 15, 2021
Type: Lecture
Date: November 18, 2021
Location: Indonesia
Subject Fields: Asian History / Studies, Colonial and Post-Colonial History / Studies, Cultural History / Studies, Historic Preservation, Southeast Asian History / Studies

Often the most unlikely collaborations bring the most exciting results.

On GIS Day, I will be presenting the results of 2 workshops, organized by the Indonesian Heritage Society, in which participants used historical maps of Indonesia with interactive content to produce stories that are published online.

We have used digital maps from public archives, georeferenced thanks to the support from Esri Indonesia.
