Recent announcements by the State Administration Council seem to indicate a reopening of Myanmar’s international borders at the end of March 2022. Details on how the reopening will be planned are expected in early January 2022. Great caution however is warranted especially in the midst of a deep political crisis and continuing violence across the country.

The Inya Institute invites all prospective applicants to the 2021 CAORC-INYA Fellowships to join us for an online Q&A session. Issues such as security, access to field work, ethical challenges to conducting research in difficult settings as well as practical information will be discussed.

**Q&A Session Date: November 30, 2021, 5:00PM (EST)**
