Announcement: Seeking paid graduate research assistant in 20th century Spanish history

Discussion published by Julie Weise on Wednesday, December 22, 2021

I am seeking a graduate student interested in paid research assistant work in 20th century Spanish history. The theme of my research is labor migration but that doesn't have to be your specialty. This is a remote position with a competitive wage. If interested, please send a CV and your general availability (number of hours/week during the coming months and beyond) to Julie Weise, Associate Professor of History at the University of Oregon (jweise@uoregon.edu)
