[Academic Podcast Roundup](#)

- This is a growing list of podcasts on academic subjects or put out by academic institutions. To add your podcast to the list, post it to the network and the editors will add the correct categories.

[Bibliography of Podcast Research](#)

- As research on podcasting grows in communications, media history, digital humanities, education, and other fields, H-Podcast will be compiling a useful bibliography of these developments.

[Podcast Production Resources](#)

- Audio & visual for podcasting, tutorials, software recommendations, etc.

[Teaching Resources](#)

- A growing list of resources for teachers who wish to incorporate podcasts and podcast production in the classroom.

[Websites of Interest](#)

- A running list of websites of interest about podcasts and podcasting.
