Conditions for settler colonization

Discussion published by [Ashley S](#) on Thursday, October 9, 2014 0 Replies

Are there similarities in regions that have become settler colonies? What about in the states that colonized these regions? What were/are the prerequisite socio-political and geographic indicators of settler colonialism? Are there any?

Body

Text format: User HTML [More information about text formats](#)

1. Write It

At the next screen, write a title for your post and the message itself in the "Body" field. Use the small applets in the "Body" field to bold, italicize, etc.

2. File It

Help others find your message. Scroll down below the message area and include any "tags" (descriptive terms) which help to describe the content of your message in the "Tags" field. Make sure to select your chosen network from the dropdown.

3. Preview and Submit It

When you are ready, scroll to the bottom of the screen, where you can preview the message's published appearance, and then click "Submit to Editor." Your post will be reviewed by an editor for the network. The post may be published, or sent back to you for review. Both new discussions posts and replies to existing discussions go through the same process of editor review.
