Sports Africa Network’s ASA Panels 2022: 10 March 2022

Sports Africa Network (SAN), an affiliate organization of African Studies Association (ASA), invites scholars to submit an abstract related to African sports for consideration for a panel at the ASA 2022 annual meeting. We welcome work that examines aspects of African sport from any disciplinary background as well as papers that use sport to study wider themes, such as politics, identity, and belonging. We also welcome expressions of interest to serve as the discussant for the panels on the theme of African sports.

The ASA 2022 conference will take place in Philadelphia, PA, from November 17-19. All the participants accepted to present on the Sports Africa Network’s panels must pre-register for the conference by the ASA’s deadline of March 15 to be included in the conference program. All panelists must also be Sports Africa members. We will let you know if your abstract is included in our panel by 14 March 2022.

If you are interested in submitting an abstract for consideration in SAN panels, please email Tarminder Kaur (tarminderkaurw15@gmail.com) by March 10, 2022 with the following:
