The deadline for submitting the abstracts to the symposium has been set as April 30, 2022.

All the important dates of the 4th International Süleymaniye Symposium, which will be organized by the History Department of Ibn Haldun University (IHU) with support from the Turkish Cooperation and Coordination Agency (TIKA) under the Ministry of Culture and Tourism of the Republic of Türkiye, are as follows:

Announcement date of accepted papers: May 15, 2022.
Deadline for the submission of the full paper: August 31, 2022.

We are aiming to publish the papers presented in the symposium in a book format by an international publishing house in the spring of 2023 after the required editorial work. Participants will have the option to revise their papers before, during, and after the symposium.
