History of Education Research in Current Periodicals (#257)

Discussion published by Rick Mikulski on Monday, March 21, 2022

EDUCATION HISTORY ARTICLES in CURRENT PERIODICALS (#257). Below is a list of recent publications relating to the History of Education. As always, we focus on studies relating to the History of Education (“the history of instruction”) rather than History Education (“the instruction of History”). The list is not exhaustive, and H-Education subscribers are encouraged to contact editorial-education@mail.h-net.org with works to include. Please note that efforts are made to exclude articles & reviews included in previous digests. An archive of previous bibliographies can be found here: https://goo.gl/Zucs95 and a full list of History of Education journals can be found here: https://tinyurl.com/histedjournals
